Driving directions can be found [here](#). (**Please note you are NOT going to the large, mirrored CHOA building visible from the highway close to N. Druid Hills Rd. You want the brick building with parking garage further north on the access road--not as visibly marked**). DURING THE WEEKDAYS, Enter the parking garage from the access road and park in guest parking (free) on the ground floor unless you are a CHOA employee. If for some reason guest parking is full, you may press the button at the entrance to call Security and they will let you into the employee parking area. DURING THE WEEKENDS, enter the parking garage by pulling into the road that runs under the walking bridge between the 2 buildings (the entrance on the access road is closed on weekends). Take the elevator to the **4th level of the parking garage** in order to take the bridge over to the main floor to enter the building where the conference center is located. Please leave extra time to park, come to the building as there is a bit of walking involved, and check in with security/perform COVID-19 screening. Please either have your CHOA badge or picture ID handy and a mask to enter. Once past security, turn right and then immediately left. Go to the end of the hallway past the coffee shop and the conference center will be at

the end of the hall. Signs will direct you to the specific classrooms on the day of the conference.
